RE: CTIA v. City of Berkeley, et al., No. 17-976

Dear Mr. Harris:

I am counsel of record for Respondents in the above captioned case. You have requested a response to the petition for certiorari filed by CTIA. That response is currently due March 1, 2018.

Pursuant to Rule 30.4, I am writing to request a 30-day extension of the deadline to file a response, up to and including March 31, 2018.

The petition has triggered a large number of amici to enter the case. Given my teaching obligations, those additions have made it especially difficult to meet the current deadline. An extension would allow me and my colleagues an ample opportunity to consider the arguments made by amici, and respond, if appropriate, in our own filing.

Thank you for your attention to this matter.

Respectfully submitted,

Lawrence Lessig
Attorney for Respondents
